MUSIC

Winter Concert
and
Mr. Lewis

A black and white photograph of a city skyline, likely New York City, viewed from a hillside. The foreground is filled with the dark, silhouetted branches and leaves of trees. In the middle ground, a dense cluster of skyscrapers and buildings is visible, including the Empire State Building. The background shows a hazy horizon with more distant hills or mountains. The overall mood is contemplative and scenic.

Hi, sorry I'm late.

A growing girl needs milk.

Marvin needed a "C" on his test.

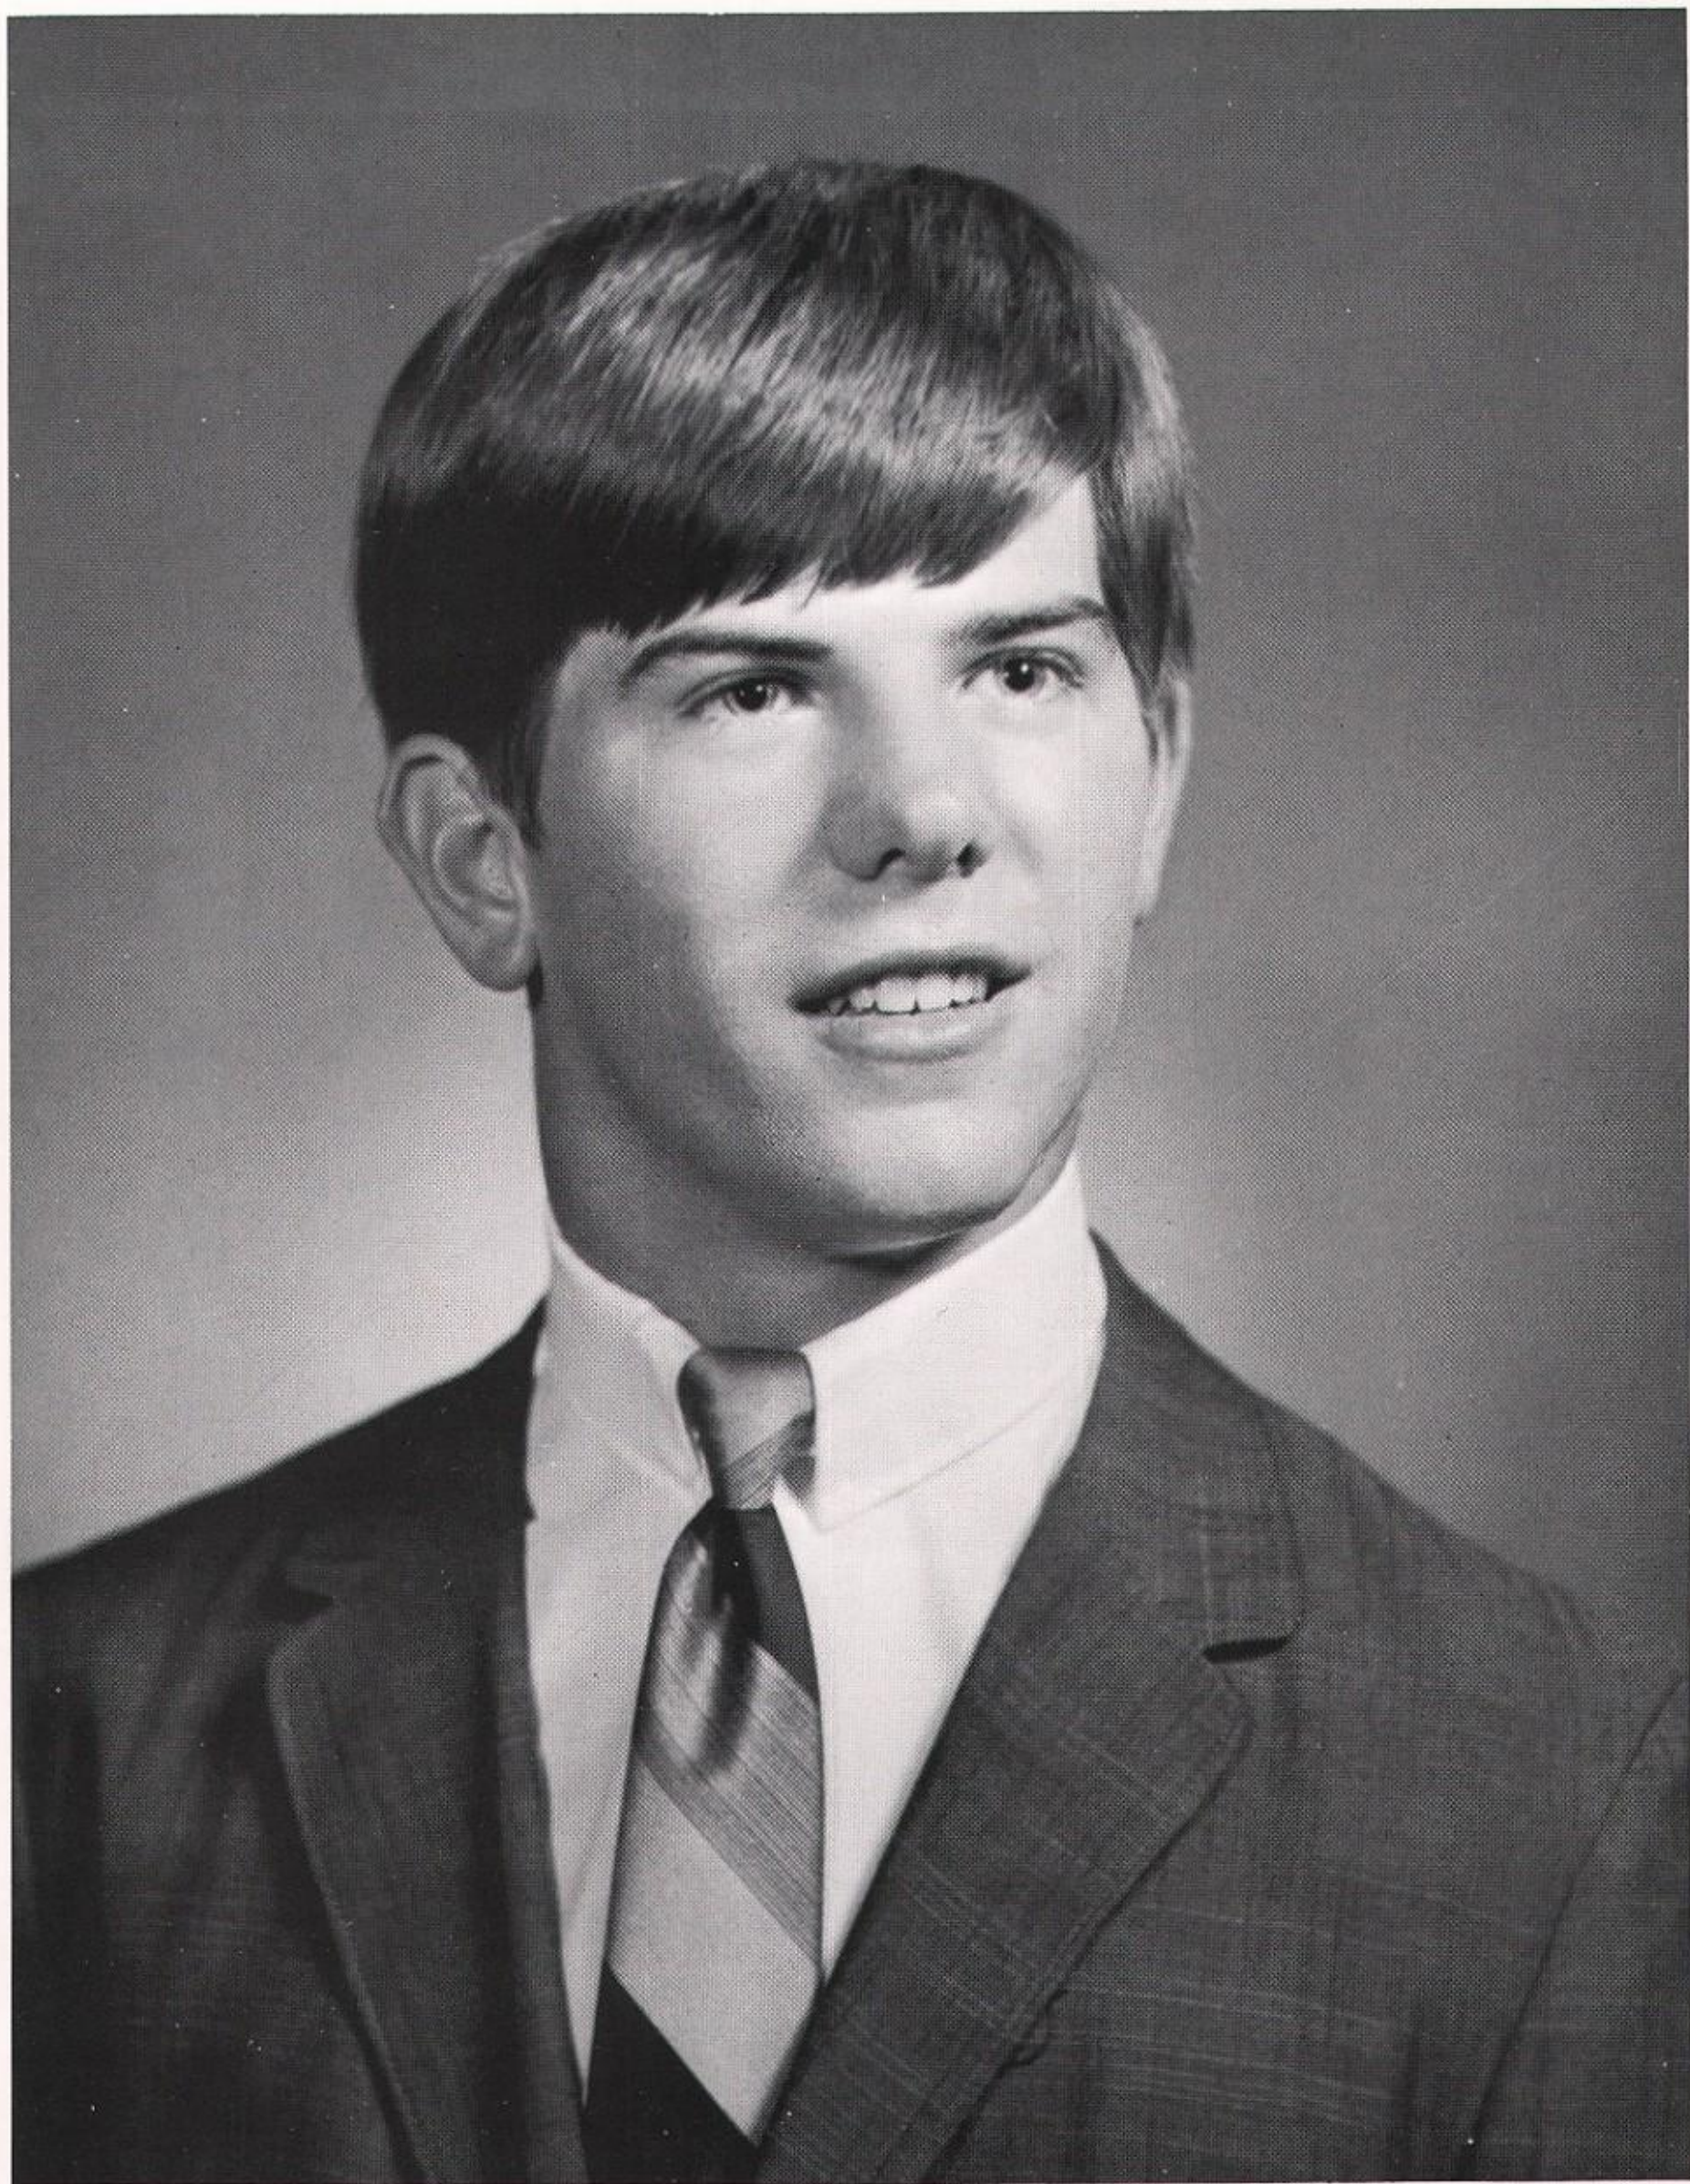

Gosh, Dad, you and girls.

What, lord and master?

Getting ready for make-up.

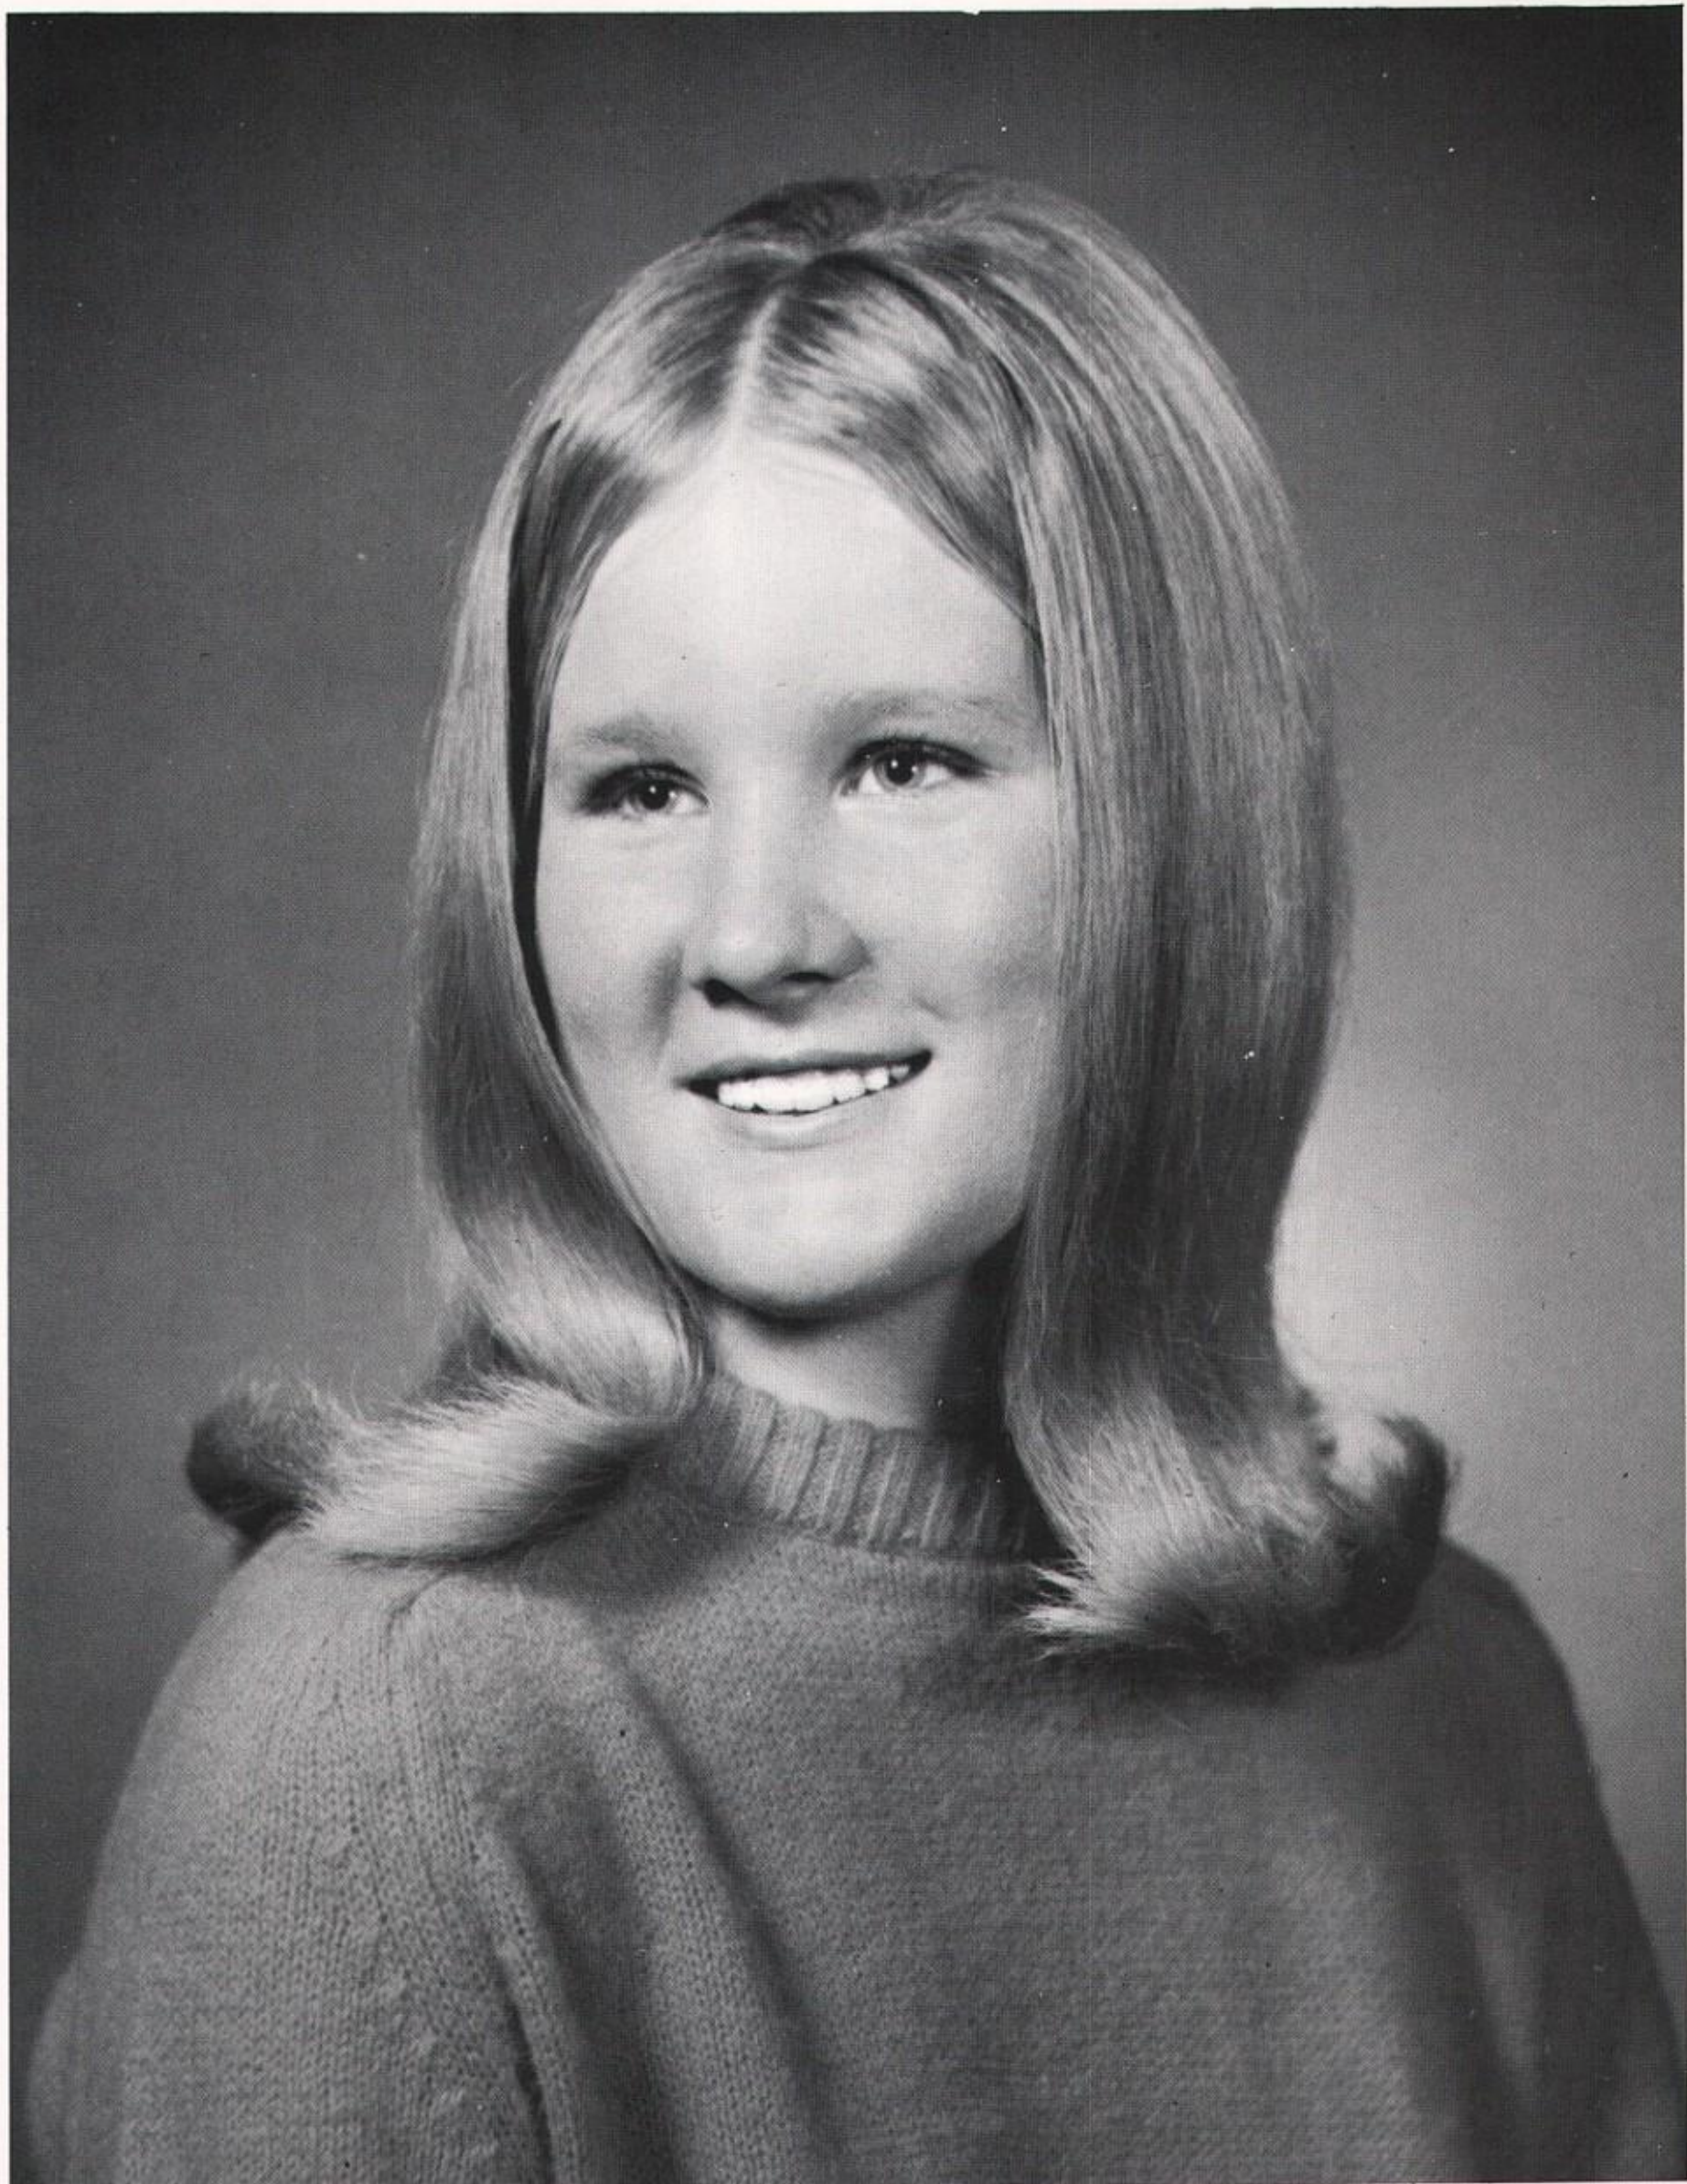

Yeah, and I quit chewing gum.
